Subject: FW: Shell Chemicals PMN Update

Dear Rose,

I am seeking an update on a PMN application that Shell Chemicals has submitted (PMN-16-0400). I did send the case manager an email and have left several messages but not sure if he has been the office, can you provide an update for me with possible timeline?

Thank you for your assistance.

Dear Jeff,

Hope all has been well with you, I have left several voice mails concerning an update for PMN P-16-0400, GS1927. Where have we landed with the final signature that is required, per our last call? I would like to request an update response this week so I can update my manager before escalation.

Regards,

Melissa Ford
